## The Fountain of Youth

We read that an early "fountain of youth" was located on the Island of Bimini, one of the Bahamas, but we cherish the account of Ponce de Leon of Spain and his search—in Florida—for "the fountain of youth."

A fountain, gushing forth in copious supply, symbolizes a bountiful life. We members of the Buccaneer Staff of 1963 have come to look upon West Jefferson High School as a fountain of and for youth, and just as Ponce de Leon sought his fountain we in our time are searching here for truth and rightful thinking.

We maintain that our figurative fountain, West Jefferson High, can supply us fully with the acquirements of civilization and with learning. We believe that while "drinking" here—with a sincere desire for direction—we can be equipped to live an abundant and useful life.

#### Editor's message

A fountain is a lovely thing, It pours so crystal clear— Its source an everlasting spring, It flows from year to year.

Our high school is a fountain-head, A reservoir of truth— It points out pathways we should tread, It guides us in our youth.

A fountain, a symbol of abundance, suggests eternal supply—always fresh and pure and clean. Springing—as it does—from some inner and inexhaustible source, a fountain pours forth in profusion. Its plenteous overflow escapes in beautiful sprays which fall in graceful array and flow away to greater and more helpful usefulness.

To the members of the Buccaneer Staff our high school is a fountain of learning—an unfailing source where we, during our youthful days, may come and partake fully of the knowledge, the understanding, and the wisdom with which this well-spring abounds.

A fountain is sometimes described as a reservoir which contains liquid to be drawn off as needed. Our symbolic fountain, West Jefferson High is a reservoir of crudition. Each lovely spray is in fact some rare accomplishment, some gracious art, or some virtue that we covet. Here in our high school while drinking at the fountain added attributes are acquired—an appreciation of beauty and a recognition of true worth, by which we set up real values and cherished goals. Here we gain a true sense of loyalty, faithfulness to duty, and fidelity in all our deeds and acts.

As we "quaff the waters" of this emblematic fountain we come to realize the intrinsic meaning of sincerity, constancy, and integrity—and we learn to hold to the courage of our convictions. Miniature sprays, dripping forth in rhythmic screnity, denote enjoyment—the pleasure, yes the sheer delight and the wholesome fun that are ours during our student days.

Finally it is here—during the years of our youth—while imbibing freely from this "fountain" that we are filled with exuberant inspiration to prepare for a life of useful and unselfish service to others—for a life of moral excellence, of dignity, honor, and achievement.

Flow on, dear "jountain," day by day, And never cease to bless— Direct our steps along the way As we attain success.

> Ann Higgins Executive Editor

### The spirit of youth flows throughout the school

This is your school—dedicated wholly to the enrichment of youth. The homework, quizzes, and exams . . . the clubs, dances, and activities . . . the pep rallies, athletic events, and assemblies all contribute to the knowledge, maturity, and character of each student.

On the outside stands a cold structure of stone, steel, and glass; but within its halls flows a stream of youth—our country's most important resource.

Within this stream lie all the ability, talent, and initiative necessary to preserve the heritage and honor of our country tomorrow. It supplies the world with teachers, researchers, engineers, nurses . . . young men and women well educated and prepared for a useful citizenship . . . students today—leaders tomorrow.

This is your school-a fountain of youth.

This fountain has been erected in commemoration of the visit to New Orleans of General Charles DeGaulle, President of France, April 29, 1960.

"I shall leave convinced that all that is necessary is for the free people to be firm, for them to be wise, and for them to be united, in order for the world to be led along the path of common sense and of peace."

> Charles DeGaulle April 29, 1960 at New Orleans.

Room 215 at West Jefferson, regular meeting place of the Student Council, was never like this!

The officers of this austere body are sitting within the confines of the chambers of the City Council of New Orleans as they consider serious business of student life at West Jefferson.

Grave issues are being decided, you may be sure. This magnificent building, ultramodern in design and appurtenances, is one of several new and striking edifices included in the New Orleans Civic Center. All were built in the immediate past.

Representing the Student Council are these officers: Left to right, David Centanni, vice-president; Sheila Falgout, reporter; Don Ray George, president; and Darrell Hollis, treasurer.

### Assistant superintendents

Long associated with education in Jefferson Parish, Mr. Paul J Solis has served as a classroom teacher, coach, high school supervisor and for the past 14 years as the first assistant superintendent. He is a Lieutenant Colonel (Retired) Army.

Prior to his appointment as assistant superintendent, Mr. Solis was supervisor of classroom instruction for 12 years.

In the classroom he taught mathematics, general science, biology, and chemistry at the then Westwego High School. At the same time he coached the full athletic program which included football, track, baseball, basketball and boxing, and can proudly boast of many All-Prep stars.

A graduate of Louisiana State University with both a B.A and M.A. degrees, the educator is prominent in education circles and community organizations. He is a member of Phi Delta Kappa, NEA, LTA, Louisiana Supervisors Assn., National Assn. of Business Administrators. 3rd and 4th degree Knights of Columbus. VFW, Red Cross, LSU Alumni Assn., Department of Public Welfare. National Conference of Social Welfare and PTA.

MR. PAUL J. SOLIS
First Assistant Superintendent

Mr. Walter Schneckenberger, assistant superintendent and supervisor of transportation, began his teaching career in Jefferson parish in 1931 as a coach in the Kenner Huth School.

He received his AB degree from Loyola University and his M.S. in physical education from Louisiana State University.

Vir. Schneckenberger also served as supervisor of athletics in 1938, a position held until his appointment as supervisor of transportation.

MR. WALTER SCHNECKENBERGER Second Assistant Superintendent

### Superintendent keeps pace with progress

# Brings latest materials and modernistic schools to a growing Jefferson

The schools of Jefferson Parish have kept pace with the progress of the fastest growing parish in the nation under the leadership of Mr. Lemuel W. Hugins, superintendent of schools

Appointed superintendent in 1939. Mr. Higgins has led the wav in bringing to the schools of the parish the very latest in school buildings, renovations, equipment and education materials to make the school system in Jefferson one of the best in the nation.

Recognized as an outstanding citizen and educator of local, state and national levels is further attested by the United States Office of Education's selection of his school system to be toured by Asian and European educators studying the American educational system.

Mr. Higgins was selected to serve as a member of the reception committee for the visit of the president of the United States, John F. Kennedy, in 1962,

The superintendent, named "educator of the year" in 1961 by the Boswell Club, is a native of Jefferson Parish and received his basic education in the McDonogh #26 school and the McDonogh Jefferson High School. He attained his Bachelor of Arts degree from Louisiana State University with a major in English and History. Then he began his career as an educator by teaching in Jefferson Parish. At the same time he pursued his professional academic endeavor at Tulane University, was appointed assistant superintendent, and wrote the authoritative history. a governing body interested in bringing the best in modern facilities and educational training to the future leaders of the community.

In Jefferson, the parish that has witnessed the sensational growth from 101,000 residents in 1950 to over 230,000 in 1963, the citizens can proudly hoast of a school system which has met the challenge of this progress.

Today the parish has 56 public schools including the four senior high schools. Fast Jefferson, West Jefferson, and Grand Isle, the conducational schools, and the newly opened Riverdale High School for girls

Mr. Higgins, superintendent and Mr Gennero, president of the board can proudly boast that the classes are small enough to meet the state approved standards of pupil-teacher ratio and that the schools are providing the future citizens of the community with enough teachers to meet the individual needs of all students, thus giving them the opportunity to develop into better individuals.

The board can again boast of a salary scale second to none in the state of Louisiana. The Jefferson Parish School Board pays its teachers above the pay scale recommended by the state legislature.

### Our principal

MR. JOSEPH J. MARTINA

A leader in the field of education, Mr. Joseph J. Martina, principal, takes an active part in his community, his church and the educational circles of the state as well as the Greater New Orleans Area.

A raduate of Loyola University of the South with a Master of Libration degree from Louisiana State University. Mr. Martina began his teaching career at Gretna High as a science teacher. Later he served as acting principal at Marrero High, and principal of Westwego High prior to his 1955 appointment as principal of West Jefferson, the consolidated school of West Jefferson Parish.

Mr. Martina, a member of the Executive Council of the State Athletic Association, served as a delegate to the National Federation of State High Schools Athletic Association in Saskatoon (Saskatchewan) Canada during August. As a guest speaker and representative of SAA, in a recent television panel on WYI STV, Mr. Martina stressed the medical care of the athlete. Later on the same TV channel the principal reviewed the rules of basketball.

On the national level Mr. Martina, as one of the 25 invited principals of the nation, served on a committee of the National Association of Secondary School Principals Association in Bloomington, Indiana. His topics centered on the West Jefferson program of the grouping of students by ability and the Honors courses program.

Regarding West Jefferson's educational policy the principal stated, "We will continue to strive for educational leadership for West Jefferson High School. The addition of the Honors classes, with our continued grouping of students will continue to raise the standards of academic achievement."

Teachers at West Jefferson volunteer their services to post the students' record cards and assist in general clerical work of the administrative office. This volunteer work is done in the teachers' hour off. Those with regular office work are not assigned study halls.

Grading papers, completing lesson plans, typing up a test and professional reading are part of the activities of the teachers in the lounge during the period when teachers are not assigned to the study hall.

# West Jefferson graduates now faculty members

West Jefferson has three of its graduate students as members of the faculty.

Miss Marilyn Solis and Miss Diane Evans, members of the first graduating class, are both in their third year of teaching.

Mrs. Ruth Glidewell Davis is the first graduate to come into the classroom as a result of the Jefferson Parish Parent-Teachers Association scholarship program.

As a West Jefferson graduating senior, the then Miss Ruth Glidewell was awarded the four year scholarship presented by the P-TA with the stipulation that "the graduate teach at least one year in a school in Jefferson Parish."

There are presently eight students enrolled in the teacher education departments in the state universities receiving Jefferson Parish P-TA scholarship assistance.

# The Curriculum

## Youth seeks knowledge

It is said that "the library is the heart beat of a school." Modern libraries exhibit machines and various means of communicating the great volume of material used in research and study.

These members of the National Honor Society are intrigued and amazed as they read this micro film and as they employ this and other devices furnished by the New Orleans Public Library, and by the libraries of Jefferson Parish.

Representing the National Honor Society are seated Marion Jackel, secretary; standing, left to right, are John Hugg, president; Tommy Ferguson, vice-president; and Donald Simoneaux, reporter.

The library is a wonderful place for that added bit of information, the completion of last night's homework, or just a little spare time reading

In high school, the academically talented students have often been woefully neglected. The honors program is a wonderful way to strengthen education by providing challenging courses especially for the industrious or gifted students.

This year, Yest Jefferson has established its honors program with courses in English, science, and mathematics. To be eligible for placement in these advanced courses, a student must have high scholastic aptitude, a willingness to work, and good scores on the placement and achievement tests given

by the guidance department.

All students in the honors courses find that much of their work involves outside reading and research. West Jefferson's well-equipped library which contains over 8.000 books and periodicals, working room for 120 students, and recordings for languages and literature, is open to students at almost any time of the day. Aided by the librarian. Miss Salome Thalheim, the students find working in the library both pleasant and easy.

Members of the journalism class, also Jolly Roger Staff members, begin the next issue of the school paper.

Punctuation and paragraphs travel with Shake-speare and Sandburg at West Jefferson's English department attempts to correlate the practical application of language with a study of various literary forms. There is concentration on basic fundamentals as preparation for the use of English in business and in the community itself; the college-bound student, however, is exposed to instruction on the more technical and abstract aspects of the subject.

In Speech I and II, the student learns first to speak distinctly and correctly, and then be applies his knowledge of speech in practical, everyday experience on modern and up to date topics. Later the course includes a study of drama and choral speaking. Speech training builds the student's confidence, poise, and personality.

The journalism department is responsible for the West Jefferson publications, the Buccaneer and the Jolly Roger. Many of the students supplement their in-class training with journalism workshops at Lovola University after school or during the summer.

With well-trained educators and many teaching aids, West Jefferson's English Department is well rounded and efficient.

Mathematics is the language of tomorrow as well as the language of today. It is the basis of modern calculations, business transactions, scientific expression, and is employed by every individual every day of his life.

The mathematics curriculum at West Jefferson is so planned that it includes the needs of all people enrolled in the school. For those planning to enter college geometry, algebra, advanced mathematics, and advanced algebra are offered. Those who display some deficiencies in the manipulation of numbers may elect to take business mathematics, general math, or senior math in order to strengthen

their foundation in mathematics

Closely correlated with the mathematics department is the science section. Three major courses are offered at West Jefferson—biology, chemistry, and physics. Well equipped labs and expertly trained teachers initiate students into the habits and study of science and its practical applications, as well as its basis.

In all the classes, the students are introduced to the writings, research, and experiments of present day scientists along with theory and principles of earlier researchers. Business education, industrial arts, and home economics

West Jefferson High School, located in a very highly industrialized and progressive community, affords its graduates many excellent opportunities for employment. The business education major at West Jefferson gains valuable knowledge and experience which will enable him to easily find a position in today's fast-moving business world.

The student is educated in all fundamental business subjects, beginning with general business in the sophomore year. In the junior year, he may choose one or more of four business courses—Bookkeeping I, business mathematics, Shorthand I, and typing. SENIOR students may schedule any of the above subjects and one or more of four somewhat specialized courses—Bookkeeping II, business English, clerical practice, and Shorthand II (no student may schedule more than five business subjects during his three years at West Jefferson, though)

Three years of home economics is offered girls at West Jefferson. Each year is divided into three different phases schooling the girls in the rudiments of home-making. The girls learn the preparation of well-balanced meals, home arrangement, and sewing in the three separate rooms.

The Industrial Arts Department provides a constructive outlet for the students' excess energy and teaches skills which will be valuable in later life. Mechanical drawing and woodworking are two skills that the student learns in the two years of offered at West Jefferson. Industrial Arts helps develope the student's skill with his hands or prepares him for engineering.

# Foreign languages and social studies

To develop
better
world relations

Many colleges and universities today require that any entrant must have taken a foreign language in high school to be admitted. West Jefferson offers three foreign languages to prepare the student for college. The French, Latin, and Spanish classes offer the fundamentals of the languages and interesting study of the courtries in which the languages originated or is spoken fluently. In addition, each language has its own club to supplement the classes' study of information and customs of these countries.

Miss Wilson shows the layout of a medieval castle to Bonnie Quinn, Paulette Panepinto, and Michael Simoneaux.

Mrs. Crawford, Latin teacher, explains a mark of pronunciation

The origin of countries and peoples, their mistakes, their economic, social, and governmental structures—all things dealing with societies past and present—are studied in a number of courses in the Social Studies Department.

Past cultures and governments are studied in general history while American history reviews the events in our country's growth and provides the annual study of Americanism vs. Communism.

Sociology teaches the relationship of peoples to each other while economics explains the economy of our government. Our government and its theories in practice are included in the study of civics.

The student of geography learns of foreign countries, their locations, their people and products, and their affiliations.

Through the use of films and slides, interest is created and understanding increased in the Social Studies Department. The function of these courses, which form a well rounded group, is to enhance the mental and social development of the student.

West Jefferson's physical education department seeks to develop the strength and coordination of every student in school. With calisthenics twice a week for both boys and girls, intramurals, and many activities, including football, basketball, baseball, table tennis, volley-ball, hemingway, tennis, softball, badminton, shuffle-board, square dancing, and couple dancing, exercise is complete.

Two courses at West Jefferson offer practical training, as well as an extra half credit. In first-aid classes, students learn to help injured persons or victims of shock until a doctor is available. The one semester course in driver's training teaches the student to handle himself and his vehicle in the proper manner whenever he is behind the wheel. Besides just learning to drive, he learns to know his automobile and its most efficient operation.

Every person has a desire to express himself or to create something. West Jefferson students fulfill this desire through the fact ties of the Art and Music Departments.

A popular misconception is that art students spend their time drawing or painting things they see or have seen. In reality, the art department seeks to bring out each student's creativity with activities that stimulate originality.

The students make mosaics from paper and carnival beads. Papier mache furnishes material for masks and pinatas. Other works include plaster of paris sculptures and studies in driftwood.

West Jefferson's music department offers a wide variety of instruction. Three years of vocal music is offered giving training in voice. Instruction in the playing of instruments is also available

Members of the vocal music classes take part in various musical programs as members of the Choraliers while instrumental instruction includes participation in West Jefferson's well-disciplined and well-trained marching band as well as the annual band concert. This year, the choraliers joined the band for a combined program.

Music is one of West Jefferson's most enjoyable enrichment subjects.

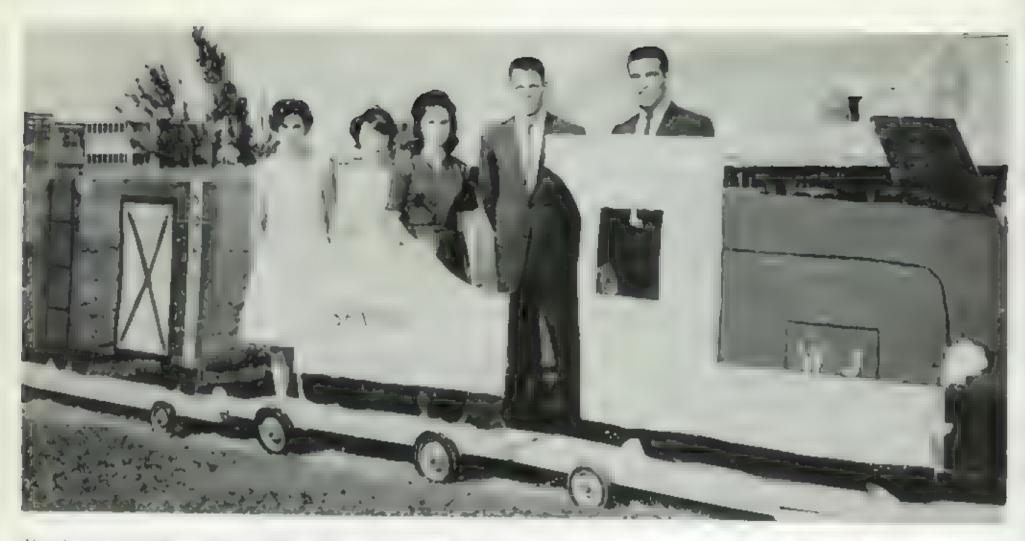

# Activities

Youth loves fun

The strength, vitality, and love of pleasure evident in youth manifests itself in the form of various activities. Football and other sports are only a small part of the many things that the youth of West Jefferson take pride in doing well. Elections, conventions, banquets, school and community service, and many other activities are a vital part of the life of every student.

The Key Club, an organization for outstanding high school boys, often plays a big part in these activities. The officers pictured here are prepared to loose some of their school spirit at a football pep rally. This same school spirit shows up in the cleanliness and neatness of the campus and buildings, in the students' work, and in all extracurricular activities. West Jefferson is proud to have students who show such an active interest in their school and community.

# Enthusiasm hits peak at fifth political rally

The fifth annual political rally, held in October in the West Jefferson stadium, proved to be one of the most spirited in the history of the school.

This program is staged each year at West Jefferson to give the students a chance to participate in the American democratic way of life.

Injoyed by all students, it is a time for important decisions along with a time of shouting and applauding for the candidate of one's choice. Posters, banners, and streamers of all sorts are displayed over the campus and stadium for the event.

Through all the fun each student listened attentively to each candidate's speech to be able to weigh all sides of the situation and pick the best suited candidates for the job.

Three hundred sixty-eight seniors received their class rings before a packed audience of parents and friends in the school auditorium at the second evening ring ceremonies on Thursday. October 4

Mr. Joseph J. Martina, principal, opened the cere monies with an impressive speech on the history and significance of the senior class ring. He said. "Your cass ring, the official ring of West Jefferson High School, bears significance for you—like a language for your hearts. Its crest is centered with a stone of ruby red, the classic ledge of course can emblem of everlasting strength and endurance."

Members of the senior class, led by the president of each homeroom, were presented their riggs by Mr. Martina and issued a souvenir booklet telling the complete history of the ring by Miss Lucile Cherbonnier, assistant principal.

As the Beta girls ventured once again by bus to the Capitol House in Baton Rouge on January 26 and 27 for the annual state convention, many memories were gathered by all. The agenda was filled with meetings, entertainment, campaigning, and speeches. The most important thing which wasn't on the agenda was the making of new acquaintances.

Excitement stirred in each of the WJ girls' hearts when it was announced that West Jefferson placed second in the skit contest. For this accomplishment, the club received a check for thirty dollars,

# Arsenic and Old Lace smash hit

The police department closes in for the "kill," Left to right: Wifey Kay, Glenn Orgeron, John Kay

The speech department has again scored a smash hit with this year's production of Arsenic and Old Lace, a delightful comedy with an engrossing plot and a host of "nutty" characters who prove to be quite different to say the least.

The presentation of the play was on Tuesday, Dec. 18,

1962, in the West Jefferson auditorium.

Maryann Crawford and Sandra Karst as Aunt Abby and Aunt Martha Brewster, were outstanding. Maryann's experience in a similar role last year enabled her to portray Aunt Abby perfectly. Sandra's voice and inflection contributed substantially to the portrayal of the ladies' mental instability. Both girls' costumes gave the roles an added touch of authenticity.

Michael O'Connor gave a superb performance playing the part of Mortimer, a drama critic who discovers that his aunts have been poisoning elderly gentlemen and burying them in the cellar. Mike's dignified interpretation of the role provided a perfect contrast to the irrational conduct of the two aunts.

Playing opposite Mike, Gwendolyn Troxclair as Elaine displayed excellent characterization, and her movements and

poise on stage were superb

Patrick Waguespack and Gregg Radlinski as Jonathan Brewster and Dr. Einstein performed wonderfully together as fugitives from the law. Patrick's austere speech and manner added depth to the characterization while Gregg's authentic accent and expert stage action gave the role extra zest.

John Firmin performed masterfully in the role of Teddy. Veterans Donald Simoneaux and Glenn Orgeron were splendid in the roles of Dr. Harper and Officer O'Hara. John Kay, Kenneth Duay, and Wiley Kay scored as the other police officers and David Guillot, Ronnie Craddock gave fine performances as Gibbs and Witherspoon.

The beautiful and authentic set was constructed by Speech II class. The expert artwork and lighting by Sheri Fowler, Alvin Taravella, John Hugg and Wade Schaubhut added realism and interest throughout the entire production. Alvin Taravella, the stage manager, handled the cast and stage business like an experienced veteran.

The director, Mr. Burney Howard, and the entire cast and crew are to be commended and congratulated for their hard

work and wonderful performance.

## Parents pay visit to WJ classes

The West Jefferson Parent-Teachers Association's annual Open House ceremonies on Friday, November 9, 1962, gave many parents of WJ students the opportunity to visit the classes their sons and daughters attend. Parents became acquainted with West Jefferson's faculty and administration and discussed with teachers any problems their children might be having with school work

The PTA recruited new members at this time. Mrs. Agnes Moore, PTA president said that many parents became members then.

Members of the Beta Club. Kev Club. National Honor Society, and the Student Council served as guides during the two-hour period during which the doors of West Jefferson were opened to the public.

The guides helped parents find their children's classes and pointed out the interesting facets of WJ life.

## Senior class talent show proves big success

This year the senior class sponsored the first annual talent show at West Jefferson high in the school auditorium.

Talent for the show was not limited to songs and skits, but also included ballet numbers, and modern jazz dance, and musical selections for trumpets and clarinets.

According to Jessie Dai, he semon class president, each performance was carefully screened by an auditioning panel composed of Miss Virginia Shannon, Mr. Michael Kurch, and Mr. Lawrence Blanchard, faculty members.

A special talent award was presented to the best amateur performer. Blaine Dorr captured the honors for his brilliant interpretation of a modern jazz dance routine. The winner was determined by the applause of the audience.

### Holiday fun includes Mardi Gras, streetcar caroling

The Junior Classical League celebrated Mardi Gras and the Choraliers selected caroling at Christmas time as club projects.

A study of the onem and the customs of Mardi Gras carried from the myths of the Roman and Greek culture culminated the Carnival party complete with favors and throws. Mrs. Lela Crawford and the club officers were in charge of the program.

The Choraliers chose caroling in a street along world famous St. Charles Avenue and Canal Street as their musical contribution during the Christmas season.

Headed by Miss Janet Walden, vocal music in instructor, the group warmed the hearts of many.

# Picture of Jefferson presented

Mr. Joseph J. Martina, principal, accepted a portrait of Thomas Jefferson on behalf of the school from Miss Virginia Shannon and Mr. William Donner, American History instructors, who donated it

The portrait of the school's namesake is a reproduction of the original which was painted by Rembrandt Peale. The original painting now hangs over the fireplace in Jefferson's home—Montreello

The Jefferson portrait was placed in the school library.

#### Correct dress emphasized at show

The do's and don't's of correct dress for home, church, school shapping and the many social activities in the life of the high school stadent today were demonstrated by members of the Home Economics department under the direction of Mrs. Betty Gipson, instructor.

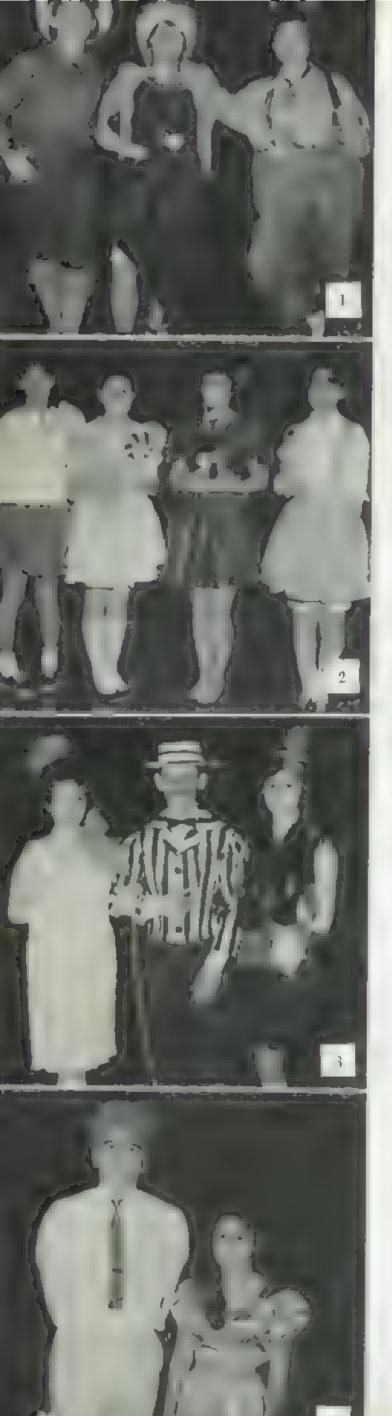

The style show was presented to every young lady enrolled in West Jefferson to encourage and build up West Jefferson's standard of dress.

## Beta Club sponsors annual career day

Some 33 vocations were represented in the West Jefferson High School's seventh annual career day, sponsored by the Beta Club, a national honor organization.

Representatives from all walks of life as well as nearby schools and colleges and the armed forces met with students to answer questions.

The student body met for an assembly program high lighted by a juzz trio from the Beta Club at Gonzales High School in Gonzales, Louisiana, named The Gruesome Two-some Plus One.

After the assembly the students went to their choice of four half-hour classes on various professions.

Career day lasted from 9 a.m. to noon and recessed for lunch. After lunch the student body assembled again in the auditorium for a concert presented by the Glee Club of the University of Florida.

The progam was headed by Danis Kenny, president of the Beta Club and Miss Marjorie King, sponsor.

Beta Club leads by serving others

The National Beta Club, a non-secretive achievement organization, has as its purpose the promotion of scholarship, leadership, and service. "Let us lead by serving others," the motto, is an indication of the spirit which motivates this national organization.

The West Jefferson Chapter of the National Beta Club, sponsored by Miss Marjorie King and cosponsored by Miss Fredericka Wilson, had quite an active year. To begin the year, a very interesting project was the "tutoring service" program. Tutoring services were available to any student in school for one hour a week after school.

As a Thanksgiving project, the girls filled baskets which were donated to needy families, and at Christmas clothes were collected for a girls' home. The annual Career Day Program, held on March 15, was very beneficial to all of the students. Also, an Order of the Torch Banquet was held to honor all graduates qualified. As an extra project, the club was responsible for the installation of a Beta Club at Chalmatte High School, in Chalmatte.

At the state convention this year, a candidate was supported for State Secretary, and the club won second place in the talent show,

### Quill and Scroll sponsors workshops —

The West Jefferson Chapter of Quill and Scroll, International, the honorary society for high school journalists was chartered in April, 1960

The major project of the chapter is to sponsor the Press Club for all students interested in journalism. They also sponsor a newspaper workshop every spring on six consecutive Mondays and a yearhook workshop on every six con-

secutive Wednesdays to select staff members for the coming year.

The chapter then ends the year's work with an annual awards banquet. Recognition is given to all staff members who have worked "beyond the call of duty."

The chapter is sponsored by Mrs. Anite Currault, journalism instructor and student publications moderator.

# Red Cross serves school and community

The Red Cross of West Jefferson High School is composed of two representatives from each homeroom. The members of this council serve the school, community, and country; and they strive to help those less fortunate by volunteering their services where ever they are most needed. The aim of the Red Cross is to work for better human relations througout the world.

The club sponsor, Mrs. Mary Lou Fife, as well as the co-sponsors, Mrs. Claire D'Antoni and Miss Marilan Solis, worked with the officers to plan a busy year. To mention a few of the projects, work was started this summer when 5 girls and 4 boys served as volunteers at West Jefferson Hospital. At Christmas, gifts were distributed to the children in the isolation ward at Charity Hospital and a basket of groceries with turkey and trimmings was given to a needy family. The club also went over the 100% goal for the gift boxes filled to send to the foreign countries.

# 4-H Club members "make the best better"

CARY TROSCLAIR
President

"To Make the Best Better" is the motto of the 4-H Club, and is certainly applied to the West Jefferson 4-H Club this year. The group meets monthly during alternating schedules of class periods.

Mrs. Margaret Warren and Mr. Braud, club demonstraters, appeared at many of the meetings to encourage interest in activities and to assist the club members with certain projects. Mrs. Agnes Moore, club sponsor, supported the club activities again this year

One of the principle attractions this year for members was the Livestock Show in Baton Rouge at the beginning of March.

"Good Luck" and "Achievement" are signified on the clover, the 4-H emblem

# Future Nurses do volunteer hospital work

The Future Nurses of America, an active organization for girls interested in the nursing profession, acquaints its members with nursing as a career. Speakers are present at the meetings to inform the students about some of the phases in the lives of nurses and about the nursing field in general.

Viany of the members do volunteer work at such hospitals as West Jefferson General, Turo, and Sara Mayo. This type of work is especially encouraged to train the girls for nursing.

As a special Thanksgiving Day project, the members made home-made cookies and brought them to the children's ward at Charity Hospital. Projects of his nature are frequent in this organization.

# FTA develops interest in teaching profession

The Future Teachers of America centers its activities around the development of student interest in the teaching profession. This year 75 students participated in the club meetings. Any student may join this organization, and many are enlightened about certain factors concerning teaching as a profession.

West Jefferson's Chapter of this national organization is the Cox-Worley Chapter, sponsored by the Alpha Delta Chapter of the Delta Kappa Gamma Society International in 1955. It was so named in honor of two pioneer women

educators of Jefferson Parish-Helen Cox and Stella Worley.

Along with the programs which accompanied the regular meetings, this year's extra activities were numerous. They included a Teachers' Appreciation Day Luncheon in which F.T.A. members and the Student Council served as co-hosts, a formal initiation ceremony with reception following, and attendance at the State Convention in Baton Rouge.

## Style show highlights activities of Future Homemakers

The Future Homemakers of America, which meets on the first Wednesday of each month, began its busy year in October with a candle. isht installation of officers in the school cafeteria. New members were also initiated into the club at this ceremony

Club members participated wholeheartedly in the annual Yam Contest as well as attending the District Convention at Louisiana State University However, effort and long hours of preparation were devoted to present a style show on proper dress and appearance to the young ladies of West Jefferson, Club members demonstrat ed the proper and improper attire of today's modern young lady. The student audience found the program most enjoyable.

The teachers who sponsor this organization are Mrs. Lilla Brackin. Mrs. Betty Gipson, and Mrs. Donna Rankin.

## FBLA trains leaders

The Future Business Leaders of America is the nations organization for all high school and college student enrolled in business subjects.

The activities of the FBLA provide an opportunity for business students to prepare better for occupations in business. Members of FBLA learn how to compete honor ably with their colleagues on the local, state, and national levels; how to hold office and direct the affairs of the group; and how to work with representatives of othe student organizations. FBLA provides an opportunity for travel to state and national conventions and conferences, visits to other chapters and close contact with successful businessmen and women

One of the chief objectives of FBLA is to develop selfconfidence and strong, aggressive business leadership so that these future business men and women may participate more effectively in the business and community life of which they are soon to be an integral part.

## Pirateers, Pep Squad promote WJ spirit

The Pirateers, 120 strong, and the 20 members of the Pep Squad play an important part in promoting school spirit at football games, basketball games and pep rallies. The Pirateers march in many parades throughout the year.

Under the capable guidance of Miss Gloria Cline, director, the girls practice long hours after school learning new routines and marches.

The Pirateers provide entertainment during half-time at games with excellent formations. During the Carnival season the group displayed their training in the fancy steps and drill work that have earned area-wide recognition.

Pep Squad members add to the routines and to the yells selected by the cheerleaders and help the Pirateers in many of the halftime ceremonies.

### Outstanding Buccaneers

West Jefferson High School is noted both locally, regionally and state-wide for the spirit exhibited by its student body at all sporting events.

There are many facets to the "spirit of West Jefferson." This spirit is exemplified in the enthusiasm which the band, cheerleaders, pep squad and pirateers create. It's a spirit that is fast moving and a spirit that reaches every one in every crowd.

# Tumbleweeds perform daring stunts

The Tumbline Tambleweeds, creanized in 1957 under the direction of Miss Mattie Towns, meets weekly during the clab activity period in the gymnasium.

Viss Townes states that the purpose of the group is to develop the coordination of mind and body well as the thrill and satisfaction of personal achievement. Any girl who has had some tumbling experience and who can pass the entrance test may join the group. Seventy-eight girls worked on acrobatic stunts and performed this year.

The girls were very active this year and performed at many gym programs. They performed at half-time for the boys' basketball games and at gym night demonstrations. The girls have appeared on WYFS television a number of times, and they were featured in the Divie Magazine section of the Times-Picayune.

Youth — appreciates beauty

The fresh full flow of the fountain,
The fountain of beauty and truth
Pours forth like a spring from a mountain
The buoyancy, lightness of youth.

Vivacious and cheerful and upright,

A bulwark of strength in our day—
Youth with its vigor and insight
Yet sparkling, and gleeful, and gay.

Beauty and truth are forever,
And youth is their guardian strong—
If hatever in life its endeavor
These graces will follow along.

Youth is a thought deeply planted, Engaging, congenial, and fair— An image of manhood enchanted With credence and confidence rare.

Here in this school youth and beauty
Adorn every structure and hall—
Reliant and faithful to duty
Devoted, they answer its call.

## West Jefferson's there

The principal and seven students represented West Jefferson on regional, national and international level meetings and conventions during this school year.

Principal to Canada

Mr. Joseph J. Martina, principal, and member of the executive board of the Louisiana High School Athletic Assn. flew to Canada for a one day conference of the International High School Athletic Assn. In Saskatoon, Saskatchewan.

As evidence of the high esteem with which West Jefferson is regarded in national education circles. Mr. Martina was one of 25 invited participants in an October national conference sponsored by the National Assn of Secondary School Principals. Committee on the Larger Secondary Schools, at The Indiana University Union, Bloomington, Indiana.

Pat goes to Cincinnati

Patricia Ragusa, state secretary of the Future Business Leaders of America, represented West Jefferson at the national FBLA convention in Cincinnati. Ohio, With a delegation of 103 Louisianians the five-day convention head-quarters in the Sheraton-Gibson Hotel served as an area of good convention fun according to Pat.

### J.A. Conferences

David Deemer, president of Celco Company in Junior Achievement, attended the national JA conference in Bloomington. Indiana. The seven-day conference was held on the campus of the University of Indiana.

Selected by the advisors of their companies, five WJ students were awarded all-expense trips to the Junior Achievement management conference in Columbus, Georgia, during the Christmas haliday season. The five were Shelly Ferrera, Carl Taylor and Henry Stalier, semiors, and Gary Hooper and Robert Meaux, juniors.

### HUGG IS COMMENDED

John Hugg was also honored for his high performance on the National Merit Scholarship Qualifying Test by receiving a letter of commendation.

The semifinalists and commended students together constitute about 2 per cent of all high school seniors.

The commended students and the semifinalists who do not win Merit Scholarships are considered for certain other scholarships that are offered through the facilities of the National Merit Scholarship Corporation.

### · O'CONNOR MAKES SEMI-FINALS

Michael O'Connor was one of the 185 students in Louisiana who scored high enough on the National Merit Scholarship Qualifying Test to take part in the semi-finals competition. Mike was in the top 115.

The National Merit Scholarship Qualifying Test (NMSQT) is the preliminary reening device in the merit program, which is a nationwide search for high school students of high caliber. Students also take the NMSQT to discover how they compare to students from other sections of the country and prepare themselves for college entrance.

## Twenty-three score high in National Merit test

Twenty-three students scored above the seventyfifth percentile in the National Merit Scholarship Qualifying Test taken in March of 1962.

The test is the preliminary screening device in the merit program which is a nationwide search for high school students of high caliber. Students also take the NMSQT test to discover how they compare to students from other parts of the country

and to prepare them for college entrance.

Scoring above the seventy-fifth percentile means that the students pictured here scored higher than 75% of the top students taking part in the examination held throughout the country.

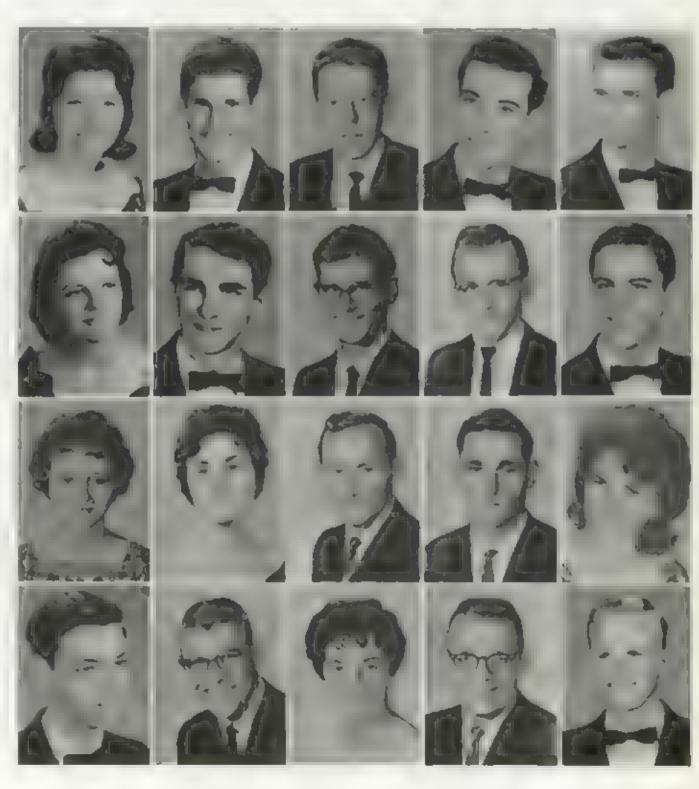

Besides those pictured, Frank Ingalls, Dan Schully, and Fred Rodrigue also scored in the seventy-fifth percentile.

Each player on the team was given a trophy symbolizing the Bucs' championship honors. The club also sponsors the Annual Spring Sports Banquet bringing together the Varsity and Junior Varsity players from the basketball, baseball, and track squads,

This year the club donated a plaque to the

school to be placed in the stadium with the names of all members of the Bucs' first Public District championship football team. The plaque also contains the names of the coaches, managers, administration, and club officers.

The Booster Club was directly reponsible for the sale of the programs at the football games. In addition, the club helps pay for some equipment and uniforms the boys need.

## PTA studies school program

A phase of the educational program of the school is featured at each regular monthly meeting of the West Jefferson High School Parent-Teachers Association on the second Thursday of each month in the school cafeteria.

At the December meeting Mr. Harold E. Peterson, instrumental music director, conducted a musical program based on holiday music. He also explained to the parents the part that music played in the curriculum of the school.

The Choraliers, directed by Patricia Ragusa, senior student, in the absence of Miss Janet Walden, director of vocal music, sang carols and led a period of "community sing." They also spoke on the values they have received from participation in the choral group.

Other programs featured reports from Pelican State representatives and a report on Civil Defense by Mr. Martina, Included in this latter program was discussion of specific measures planned for West Jefferson in case of national emergency.

Mrs. Agnes Moore, P-TA president, and also a member of the West Jefferson faculty, said "The parents of our students appreciate the opportunity to keep up with developments in our school, and they often suggest program topics concerning departments they would especially like to become acquainted with."

# We can boast of the students who represent WJ

West Jefferson students participate in workshops, conferences, conventions, training centers, television programs, special courses and many other activities thus bringing many honors to the school.

In an effort to recognize these leaders, the staff has set up a section to record the achievement of the students who do more than regular work—the students who seek more learning through active participation in related events

### JOURNALISM TECHNIQUES

Five members of the Jolly Roger and Buccaneer staffs and the moderator, Mrs. Anite Currault, attended journalism conferences during the summer at Loyola University.

Carol Diodene. Alfred Gaudet. William Miller and Patricia Ragusa were present at a week-long newspaper clinic while Ann Higgins and Mrs. Currault attended the vearbook conference the following week.

### STUDENT COUNCIL MEET

Don Ray George and Darrell Hollis, president and treasurer of the Student Council. with their sponsor, Miss Agnes Cross, attended the annual workshop of the Louisiana Association of Student Councils in Lafayette. Purpose of the conference was to give members more information about the functions of the council organization, to instill in them a greater knowledge of their duties, and to acquaint them with the work of student councils in other schools.

### SAFETY PROGRAM MEET

Darrell Hollis, senior, and Miss Agnes Cross, student council sponsor, attended the tenth annual conference of the Louisiana Youth Safety Council held at the Youth Center in Bunkie, Louisiana, during the summer.

The conference centered on four phases of safety—school, home, farm, and traffic. Darrell was assigned to the school safety group and Miss Cross served as faculty moderator in traffic safety.

Darrell also participated in a panel discussion at the state safety meeting held in December in New Orleans.

### MARCH-OF-DIMES

Frank Evans, Alfred Gaudet. Toni Orgeron and Karen Oster represented West Jefferson at a two-day Louisiana State Teen-Age Program committee meeting held in Baton Rouge during the summer. There they learned of the March of Dimes' history and made plans to organize the youth of Louisiana in the annual drive for funds.

The four also represented West Jefferson on the Jefferson Parish TAP committee and organized a number of West Bank youth organizations for a Teen-A-Rama on January 5, 1963. At that time hundreds of teens distributed March of Dimes candy and collected donations for the furtherance of the National Foundation's work.

### RED CROSS TRAINING CENTER

David Womack, president of the WJ Red Cross and the parish student Red Cross, and Ellen Inguagiato, parish secretary, participated in an eight-day training program at the Junior Red Cross Leadership Training Center at Bunkie. La., during the summer.

### 4-H ACTIVITIES

Selected for their outstanding work in 4-H. Patricia Ragusa, senior, and Gary Trosclair,

junior, attended the 4-H leadership camp in Pollock. La., during the summer. Purposes of the conference were to show and teach leadership techniques and to have discussions on improving 4-H club meetings.

Winning in state 4-H competition at the annual summer short course at LSU-BR were Patricia Ragusa. talent. and Lerov Faucheux in muskrats

### MATH AND SCIENCE INSTITUTES

Rex White and Robert Martin, juniors, attended a summer biology institute at Northwestern State Colloge in Natchitoches and Mike O'Connor, senior, enrolled in the mathematics session at the University of Southwestern in Lafavette. These sessions were sponsored by the National Science Foundation with classes and lab work running a full six weeks period.

### Student proves youth are leaders

PATRICIA RAGUSA

Patricia Ragusa. senior student, can go down in the annuals of West Jefferson as an example of the charm, the beauty, the leadership and the excellent qualities that make up today's leader and today's teenager.

She was elected secretary of the State of Louisiana Chapter of the Future Business Leaders of America in a sweeping victory in a well staged political rally at the annual state convention held in Baton Rouge. In the West Jefferson FBLA chapter, she serves as president.

Chosen "Miss Teenage New Orleans" at the second annual contest, Pat represented the city in the "Miss Teenage America" pageant in Dallas, Texas, during October. Judged on talent, poise, appearance, scholastic average and personality, Patricia was chosen from 50 semi-finalists and 25 finalists

Miss Teenage and her mother flew to Dallas on an all-expense paid trip to compete in the national competition. Although not a finalist, Pat was in the call backs

Adding to her titles, Pat became Miss Veterans Day, 1963. She and nine other girls were selected from 35 at a contest in the Roosevelt Hotel in New Orleans, Later she was chosen queen at the ball held in the Municipal Auditorium. Her first job as Miss Veterans was to present trophies at the Athletic Award Banquet on television.

From a group of 82 contestants, Pat was selected by a panel of judges, as West Jefferson Sweetheart, 1962, in the annual contest conducted by the Buccaneer staff.

By an almost unanimous vote. Pat was elected Darling of the sophomore class, then the junior class, and now, recently, the senior class. This is an honor no other student at West Jefferson can claim

Pat is active in school, community and church work. She has represented West Jefferson often in her short stay of three years and the staff is happy to record a few of her achievements.

## The top 10%

In an effort to recognize the student leaders in scholarship achievement, the Buccaneer presents this year a feature that will certainly begin a tradition.

Through the kindness of Miss Agnes Cross, guidance counselor, the staff is able to acknowledge those students whose grades from the freshman year through the mid-term senior year merits their being named "the top ten per cent."

### Athletics

# Youth — develops fitness

Inspiring and promising are these young athletes—each a star in his own right—and each an integral part of a buccaneer championship team, four of many with talents and techniques similar to theirs.

Standing strong and study in the new and imposing West Jefferson stadium, they, with buoyant strength and manly determination furnish the inspiration to compete, and the power to win.

We believe that the fountain of youth sends forth an exuberance of energy and vigor with which these contenders excel.

Heading the athletic section are Jessie Daigle, Gary Orgeron, Ronnie Ceruti, and Alvin Dodd.

# Bucs win initial public championship

Well they did it!!! After seven long years of waiting the Buccaneers of West Jefferson High finally managed to tear the District IV football championship from the talons of the Warren Easton Eagles. That's right. The Eagles, prior to this year, were the only champions the New Orleans Public District had known since its founding in 1955 (also WJ's first year). But this year the Buccaneers climbed onto the leader's platform by virtue of their 15-12 victory, and West Jefferson's students and fans enjoyed their predicted Thanksgiving meal of roasted Eagles.

The victory of the Bucs on that wonderful night of November 16th took on added significance when viewed in the light of the fact that no team from West Jefferson had ever won a game in City Park until this year. Yes, the Bucs went into the Eagles nest and defeated a team which had never lost a game in

District IV competition.

After the Bucs had completed their successful district campaign, they advanced to the first round in the state playoffs. They met a powerful team of Indians from Istrouma High, rated as the top AAA team in the state. The game was played in Memorial stadium in Baton Rouge.

In that game the Bucs held the Tribe scoreless throughout the first quarter, but the big Indian eleven broke into the scoring column in the second period with a touchdown set up on a long run. The Indians jumped to a halftime lead of 20-0. In the third quarter it was the same story as the first period as the Indians were held scoreless by our Bucs, but again the Big Istrouma team outlasted us and scored twice in the final stanza to bring the final score to 33-0.

Istrouma went on to defeat Byrd High in the finals

to gain State AAA Championship honors.

Some interesting facts of the 1962 season were that the Bucs won their first opening game, scored in an opener for the first time, shut out a team for the first time (3 games), won their first game in City Park Stadium after seven years (won 2 games), scored on and defeated Warren Easton for the first time, and won their initial Public District Championship. The Bucs won all five of their home games.

Closing the year with a 7-2-1 record West Jefferson's only two losses came from LaGrange, a team that went to the State semifinals, and Bogalusa, Whose only loss of their 9-1 season was to State Champions, Istrouma.

#### BLCS SURPRISE LAGITS, 15-12

West Jessesses defeated Warren Easton. 15-12. at City Park to emerge as District Four Champions for the first time in the school's history. West Jessesses, never trailing, started the scoring in the first period as they scored after an exchange of punts. The Bucs moved sfeadily down the field with Gary Orgeron picking up most of the yardage on long bursts through the center of the line. A 17 yard scoring pass, the ony completion of the night for WJ, accounted for the Bue's first score. Then, after being contained for most of the first half, the Eagles started to move the ball and capped off a long drive with a 13 yard TD toss. The score at halftime read 6-6

The Buccaneers, in complete control during the third quarter, added 9 points to bulge their lead to 15-6. The first score came on a 26 yard field goal by Ronnie Ceruti which fired the Bucs to come back on the following set of downs and intercept a stray Easton pass. Gary Schouest snagged the loose aerial and returned it to the Eagle 49. After one play, covering ten yards, Orgeron circled right end, shaking off three Easton defenders, and charged into the end zone with the decisive marker. Although the Eagles scored again, the Bucs were never in a serious position to lose the lead

### BUCS SCALP WARRIORS, 6-0

The West Jesserson Buccaneers deseated their Parish rival. East Jesserson, 6-0 before an overslow crowd of over 8000. The game, which was the third Public District win and fourth of the season for WJ, was televised over Channel 8.

Gary Orgeron scored the only touchdown of the game on a left end sweep early in the fourth quarter.

The victory, besides being an important Public District contest, returned the Parish Championship and trophy

and 'rag' to the trophy case of WJ

The touchdown drive, ignited by a pass interception by Russell Carmadelle, covered a distance of 72 yards. Four passes to end Al Dodd for 55 yards and an 11-yard run by Ernie Alario set the ball on the EJ seven yard line. After a line play, an incomplete pass, and a 5 yard penalty the ball rested on the 11 yard line with a fourth down situation. Guilliot faked a drive then rolled around left end with Orgeron taking the pitchout and going the last eleven yards for the decisive score.

# W J takes first opener in history, 7-0

Quantitback Mike Cunnot taxes snap from Center David Womack.

West Jefferson's hard-fighting Buccaneers downed the Redemptorist Rams 7-0 in their initial game of the season. This was the first time in the history of West Jefferson that an opening game has been won and the first time West Jefferson has scored in an opener. Strong point of the game was the strong defense the Bucs put together to hold the Rams in check. The offense gained 5 times as much yardage as their opponents but costly mistakes deep in Ram territory stopped would-be TD drives. The touchdown was scored by Mike Guilliot in the opening seconds of the fourth period.

#### WJ DOWNS RIVAL BEES, 33-13

West Jefferson, paced by the running of Ernie Alario and Gary Orgeron, romped over the Behrman Bees 33-13. After a 6-6 first half the resurgent Bucs picked up the backing of the home crowd by scoring 20 points in the third quarter and adding another 7 points in the last period. Orgeron scored on runs of 10 and 18 vards, while Alario tallied on a 61-vard end sweep and a 24-yard pass from quarter-back Mike Guilliot. Al Dodd accounted for the other Buccancer touchdown on a 48-yard pass interception.

Terrific pass receivers, Alvin Dodd, David Marmillion, and Rex White.

Top "Buc" ground-gainers, halfback Gary Orgeron, fullback Murphy Bourke, and halfback Ernie Alario.

#### GATORS BEST BUCS, 21-6

West Jefferson absorbed its first loss of the 1962 season, 21-6 at the hands of LaGrange High of Lake Charles.

The Bucs, relying on an air attack because of a halted ground game clicked for their only touchdown late in the second quarter and trailed at the end of the first half by only 7-6. Ernie Alario scampered 18 vards to set up the score with Gary Orgeron passing 29 vards to end Rex White, standing all alone in the end zone. The scoring drive, covering 48 yards, took only 5 plays.

### OWLS TIE BUCS, 14-14

West Jefferson came from behind to tie the Chalmette Owls 14-14 in the second Public District game for the Bucs. Chalmette, a new entry to the Triple A ranks, took the opening kickoff and marched deep into Buc territory where they scored on a one yard plunge.

The Bucs scored on a 13-yard pass from Gary Orgeron to Rex White on a halfback option in the second period. The Owls came right back with a 52yard scoring pass to give Chalmette a 14-7 halftime edge.

The Bucs knotted the score in the third quarter on a 5-yard run by Gary Orgeron.

### BOGALUSA DIFFLATS WJ, 20-0

West Jefferson took its second loss of the season, being defeated by the Bogalusa Lumberjacks, 20-0, in Bogalusa. After holding the Jacks to a scoreless first half, in which one Buccaneer touchdown was nullified by a penalty, Bogalusa scored in the third quarter on a prolonged scoring march. From this point the Bucs could not get going and although always hustling could not deliver a scoring threat. This game marked the first time this season the Bucs had not scored in a game.

### HOMECOMING BRIGHTENED BY 31-6 WIN OVER TROJANS

West Jefferson overpowered and out manned McDonogh team, 31-6 to celebrate their 1962 Homecoming. The Bucs, rushing for 283 yards were led by Gary Orgeron who camed 101 yards and scored four touchdowns Orgeron scored on runs of 2, 3, 26, and 38 yards while Ernie Alario added the other Buccaneer tally on a perfectly executed punt return covering 85 yards. Alario rushed for 90 yards while Gary Schouest gained 52 yards.

Buckin' Bandits beefy interior wall, John Bourgeois, Duan Ferrera, Gus Trapani, and Dennis Braud.

### RUCS NOTCH FIRST CITY PARK WIN, 33-0

The 1962 Buccaneers became the first West Jefferson football squad to win a game in City Park Stadium. The Bucs had tried for seven years before they finally gained their first win in the New Orleans stadium by downing the Nicholls Rebels by a convincing \$3.0 score.

The Bucs, slow to start, finally got moving in the second quarter when they scored on a 13 yard run by quarterback Mike Guillot to take a 6-0 halftime lead. In the second half the Bucs scored four times, twice with the second team in the ball game, to beat the Rebels and stay in champion contention with the Warren Easton Larles.

The other scores were tallied by Garv Orgeron, Al Dodd, Garv Schouest, and Murphy Bourke.

#### WJ BEATS FORTIER, 13-7

A fired-up Fortier team battled the West Jesferson Bucs most of the game but couldn't quite complete the job as the Bucs scored their second and decisive TD in the fourth quarter to nip the Tarps, 14-7.

The come-from-behind win kept the WJ slate clean in the Public District and made the game with Warren Easton the following week a championship affair.

After being down at halftime, all of the third quarter, and part of the fourth period, the Bucs picked up steam and hit on the right pay combinations to drive to the goal line for the winning margin.

# Bucs' improvement due chiefly to hustle

For the 1962-63 cage season WJ fielded a club whose hustle could be topped by no other in the school's history. Due to a lack of experience the Bucs got off to a slow start, but by the end of the season they were playing a hustling brand of ball, second to no one in their

a tremendous improvement over last season, when the team won none in the league. This team is sure to improve next season under the watchful eye of Coach Karl Vogt.

### BASEBALL

JESSIF DAIGLE 1962 All Public 3rd, Base

Coach Tony Chimento has a knack of turning out contenders for the Public District Title. In three years as head coach his varsity teams have won two public titles. The third year his team placed second in the standings one game behind the champion Nicholls.

This year should be no exception to the fine quality of his baseball clubs. League play divided into two rounds, each consisting of seven games. In addition the Bucs played a number of practice games against St. Aloysius, Holy Cross, Catholic High, and Tulane.

Due to the prolonged spring training session the team had not been selected when the yearbook dead-line was due. Therefore only the junior and sophomore lettermen's pictures will appear in this section.

# Scarlets defeat Silvers in first spring game 13-6

The Scarlets defeated the Silvers in the first intrasquad game, climaxing the spring training period for football by a score of 13-6. The entire squad was divided into two evenly matched groups, the Silvers under the direction of coaches Tony Chimento and Karl Vogt, and the Scarlets led by coaches Don Hecker and James LaForest.

The game was a scoreless deadlock during the first period and remained so through the third quarter until the Scarlets scored their first TD. The Scarlets scored again but the Silvers came back to tighten the score with a last period touchdown.

# Intramural program offers wide selection of sports

West Jefferson has a physical education program that is second to none in the local area. Its program offers a variety of sports that fits any boy's desires. Some of these sports are touch football, basketball, softball, track, volleyball, and horseshoes. The school also makes available its weight-lifting equipment and isometric bars to the students. In addition, there is a vigorous program of calisthenics year round.

Players try for rebound in lively basketball

Deep knee bends play an important part in physical fitness.

# Fitness popularity growing

Pam Broome assisted by Joyce Vicknair and Diane Falcon assisted by Patricia Marie find that sit-ups are a very important part of the Physical Fitness Test. These girls can easily do the required number to pass the test

Left leg under, right leg back looks like a real easy exercise, but is quite complicated when you have to reverse the pattern of leg movements, It doesn't look like these well coordinated girls are having trouble.

Although the country has only recently become more conscious of the need for pulp fitness, West Jefferson has long attempted to provide a strong program of physical fitness with full regard for all fitness qualities—mental, emotional, spiritual and social

Calisthenics and vigorous activities are selected with these objectives in mind. Emphasis is placed on posture, coordination and ability and endurance.

Leslie Brown easily assist Violet Breaux in a back flip, as part of physical fitness coordination test

# Intramural activities improve coordination

Through the intramural program all girls are given an opportunity to voluntarily participate in various sports. Team games as well as individual and dual sports are offered. Awards are given to those crowned champion.

#### TUMBLING

Tumbling is a skill enjoyed by many girls. Dual stunts such as the back flip demand precision timing as well as team work

### • BADMINTON AND TABLE TENNIS

Badminton and table tennis are two important activities taught during the school term. They are primarily games of skill rather than brawn and have great carry over value into adult life.

Pull-ups improve posture and make arms graceful.

Active physical education students engage in a game of shuffleboard

Class participation increases techniques in table tennis,

It is a feeling of accomplishment to see the "silver twirling" according to these happy twirlers

# Varied activities complete program

A varied program of activities in the physical education classes keeps the girls at West Jefferson busy.

### BATON TWIRLING

Baton twirling is offered as a special activity. It demands a great deal of patience and practice on the part of the twirler. Many girls decide to learn to twirl a baton because of the feeling of accomplishment when you see the "silver twirling"

### SQUARE DANCING

Most girls have a natural instinct for rhythm. To further develop this ability, square dancing is offered. Enjoyment is gained from the challenge between the caller and the dancers.

### **TUMBLING TUMBLE WEEDS**

Rolls, dives, flips are but a few terms familiar to every Tumbling Tumble Weed, a group of advanced tumblers who are bound together by their common interest in tumbling. A girl joins the group only if she is interested in tumbling

One of the great pleasures of square dancing is to meet the challenge between the caller and the dancers. Girls square dance every Frida;

Take a group of high spirited girls, throw in a basketball, add a lot of hard work and top it off with a good coach and you have discovered the secret maredients of our girls' basketball team.

Determination and enthusiasm were exhibited by the girls as they met Holy Name of Mary High School and Belle Chasse High School in regular competition. To climax a fine season the girls were chosen to appear in the Shell Tournament in Destrehan where they faced St. James High School.

The girls basketball team can be looked upon as a living example of the school spirit of West Jefferson High School for "'tis not if we won or lost, but how we planned the game."

# The Senior Class

Youth —
goes international

New Orleans is the Gateway to the Americas. These young people, officers of the Senior Class of 1963, have found an ideal setting for their all-inclusive international approach as they prepare to enter the life of American citizens.

Here they are surrounded by Caribbean color and the atmosphere of islands and countries 'south of the border, even beyond Wexico way.'

In West Jefferson, students acquire the sense of world fellowship, and this is a pleasant and natural access to nearby good neighbors and to permanent brotherhood.

Representing the senior class are the officers from left to right Gaylynn Carbo, secretary; Jessie Daigle, president; Alice "Tippy" Stone, treasurer; and Alvin Dodd, vice president

### The Junior Class

# Youth — enjoys good food

The officers of the Junior Class discover that a great deal of time, effort, and work is required to represent a group of students as large as the Junior Class. The many activities require detailed planning and keep the entire class, as well as the officers, busy all year.

The juniors, shouldering the responsibilities of the class, mix a little dining pleasure with their business as they discuss plans for the climax of the junior year—the JUNIOR PROM.

Representing the class are Lonnie Young, president; Melanie Martin, secretary; Angela Paternostro, treasurer; and Elliott Prados, vice-president.

# Sophomores

At West Jefferson happiness is forever—it flows from the fountain—and her students always find joyful activities—at home, at school, and at play.

Here, at play, a merry-go-round in beautiful Audubon Park, complete with calliope, brass rings, and 'flying horses' provides merriment and delight for this group of jolly Sophomores of 1962-1963. All are officers and leaders of this very active and important class at West Jefferson High School.

Representing the Sophomore Class are Richard Falgoust, vice-president; Violet Breaux, secretary; Sandy Karst, treasurer; and Johnny Branson, president.

#### It's lunchtime at West Jefferson

A daily break for some is to have lunch in the sweet shops across the street from the school.

Quickly do we walk to the Cafeteria for lunch and the opportunity to see and visit with our friends

#### Let's all join in the fun of a rally -

Students really pep it up at political rallies.

Taking a respite from busy hours in the field of advertising, these students have closed the doors of business and have come out into a patio to be refreshed with a cup of real French coffee coffee in a patio of old New Orleans!

Refreshing to body, to mind, and to spirit is this brief rest in this typical 'garden' in the Quarter—serene and tranquil in its classic beauty.

Top advertisers are from left to right Ann Higgins. Joan Haas, Carolyn Faucheaux, and Lyle Doiron, Joan receives the top advertiser award this year.

### GOOD WORK, CLASS OF '63

Your Graduation Is an Important Achievement.

The road to success has many branches. Choose yours carefully and set your goal high. It will take hard work and much courage, but in the end you will achieve your goal for in America you still have the right to choose your trade or profession or to go into business for yourself. That's a cherished freedom and one worth preserving.

This page is dedicated to our teacher, Mrs. Betty Williams, the "Den Mother of the Month." for her fortunate association with us. her homeroom of 1963.

During the year ever present was the threat of failing home-room, after school chats, and the heartbreaking moment of being moved into alphabetical order. Besides the dramatic changes in our homeroom lives we still managed to be a happy, friendly, home-room.

A Cultural, Civic, and Social Organization in Our Community

> Toni Oregeron and Lyle Doiron receive the plaque for Zeta, the organization which collected the largest amount on the Westbank during the Teens March of dimes campaign. Presenting the award is Al Guadet.

The Zeta Chapter of Kappa Phi was very active during the 62-63 season. Many functions were of great beneficial value to the community. As a Thanksgiving project Zeta filled and distributed two baskets of food to two needy families on the Westbank. As a Christmas project members gathered old toys that were later brought to an agency which repaired and distributed them to children of needy families in the Westbank area.

In January Zeta participated in the Teens Fight for the March of Dimes. As a result of excellent teamwork, Zeta collected the largest amount of any organization on the Westbank. An Easter project at an orphanage completed the planned program.

## Sincere thanks to —

MR. JOSEPH MARTINA, for the excellent cooperation in our every endeavor to improve this yearbook—your suggestions, your helping us in our messages to the student body and many other things.

MISS LUCILLE CHERBONNIER, for the many little extras

MRS. LELA CRAWFORD, for the many hours you assisted with your wonderful suggestions about carrying out our theme, your poems, and your writings.

MRS. ANITE CURRAULT, for her patience, time, and careful guidance in organizing our '63 BUCCANEER.

MISS AGNES CROSS, for the hours spent in figuring the top 10% of the senior class.

MR. WILLIAM DONNER, for taking our money to the bank each day.

MISS TRACY GOMES, for doing so much for the staff.

MRS. GAIL WILTY, for assisting the staff whenever posters were needed.

MR. MICHEL KURSH and RAY HURTON, for entertaining the audience at the Sweetheart Contest.

DONALD SIMONEAUX and AL GAUDET, co-editors of the "JOLLY" who assisted beyond the call of duty and who worked so many, many hours after school. Sincerely do we say "Thank you!"

Scated, left to right: Mrs. De-Mos Mrs Lurbara Rambo. Not Miller Rhem. Jimmy Fre, Roy Todd, Jerry Burns, Kess Currie, and Darrell Des-Moss and not pictured Jay, the photographer who took all our special pictures.

DeMoss Studio personnel— We can never find words big enough to thank you.

The ne cast our coins into the fountain, our only wish is that we have successfully recorded the youthful spirit which constantly flows through the halls at Dest Jefferson
